

### Who we're looking for:

- Intelligent and creative writers to inform, engage, and inspire our readers, with strong writing and grammar skills.
- Experts in their field who want to share their expertise to an audience of conscious and sustainably-minded women

### Guest Contribution Process:

- Send 3 article pitches – that align to your interests and our topic categories.
- If your article pitch is accepted, we will ask that you create your article and submit it. You will also need to send a short bio (2-3 sentences), title, website, location and social links to [info@soulfulconcepts.com](mailto:info@soulfulconcepts.com)
- Before submitting your article, please make sure you follow all Soulful Concepts editorial guidelines to increase the likelihood of having your article published. Guidelines for submission can be found [here](#).
- Our Copywriter will review, edit and publish articles.
- An email will be sent notifying you once the article is published. It is expected that you share the article with your networks to improve chances of it being read and circulates on social media.

Please feel free to email us at [info@soulfulconcepts.com](mailto:info@soulfulconcepts.com) if you have any additional questions.

We look forward to reading your first article!

Responsibility and sustainability,

*The Soulful Concepts team*
